3. Retrospective Reviews [RR]

a) [REDACTED]

The committee discussed the following:

- The committee thanked the researcher for completing their Retrospective Review and had no comments for them to address.

4. Any other business

Overseas Research Request: [REDACTED] The committee reviewed the Overseas Research request and asked if environmental enrichment could be added to the home cage. They asked for the inclusion of maximum frequencies in regards to single housing and requested that the group used the preferred method in regards to specific procedures. The committee asked if there was a backup plan to reduce the risk of wasting animals if the overseas country was not able to continue the work. The committee also asked the receiving project licence to be amended to facilitate any work that had already been carried out if animals were imported. The committee agreed that the request would need to be updated before it could receive ethical approval.

Non-Regulated Procedure request: [REDACTED] The committee reviewed the Non-Regulated Procedure request and asked for the inclusion of an end date in Section 7.2. The committee also requested further references to animals being placed back in their home cage and testing stopped if they show any signs of distress in Section 20. The committee agreed that the request would need to be updated before it could receive ethical approval.

5. Date of next meeting: 12/06/2024
